

Madrona Giving Tree

The Madrona Giving Tree is back!

Every winter holiday season we have the opportunity to help families from Madrona in need of assistance during the holiday season.

For those able, there are two ways to help:

- Pick up a Giving Tree tag from the Giving Tree in the front office (by Kim Z's desk). Return the **unwrapped** gift, **with the tag**, to the Giving Tree box by December 9th in the front office.
- Donate money for the MIT to purchase any unfulfilled gift or gift card request by December 9th. Money can be donated to the front office, via this link to donate on our Madrona Square site, <http://madrona-integrated-team.square.site>, or use the QR code below.

Deadline for ALL donations is end of the school day Friday, December 9th.

Square QR code for donations

Thank you for helping our Madrona families!
